- a) wars, rebellions, terrorist attacks, earthquakes, floods, fires or other causes of force majeure;
- b) national or local strikes (including at company level);

11.1. The Service and relevant Market Data, as well as all that is licensed or sub-licensed by MTS France, shall be used by the Participant respecting all the intellectual property rights of MTS France or third parties, including without limitation as expressly set out in these Terms and Conditions and/or on MTS France website.

11.2. The Participant agrees that the copyright, database rights or other intellectual property rights of whatever nature contained or subsisting in the Market Data shall remain the property of MTS France.

11.3. For the purpose of these Terms and Conditions intellectual property rights shall include (without limitation) all patents, rights to inventions, utility models, copyright and related rights, trade marks, service marks, trade, business and domain names, rights in designs, rights in computer software, database rights, moral rights, rights in confidential information (including without limitation know-how and trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and including without limitation all applications for and renewals or extensions of such rights, and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world. MTS France retains all rights and title to the MTS Data and Services (including without limitation the right to create derived data).

11.4. For the duration of the Membership Documentation, MTS France grants to the Participant a limited, non-exclusive, non-transferrable, royalty free, non-sublicensable, revocable licence to use the Market Data for the sole purpose of trading on the Market and as far as necessary for the purposes of:

- a) clearing and settlement;
- b) trade reporting;
- c) to comply with Applicable Law; and
- d) for reasonable business record keeping purposes.

11.5. The Participant owns all right and title to the Participant Data, including all intellectual property rights of whatever nature contained or subsisting in the Participant Data provided that the Participant grants to MTS France a perpetual, irrevocable, royalty-free licence (transferable to any assignee, novate or other transferee of these Terms and Conditions or of any or all of MTS France's rights and/or obligations deriving therefrom) to use such Participant Data:

- a) to the extent required to operate the Market and provide any related Services to the Participant; and
- b) in an anonymised form only, for any reasonable purpose whatsoever. MTS France hereby acknowledges and agrees that it shall keep the details of the Participant anonymous when distributing Market Data and that MTS France shall only be permitted to use such Participant Data in a manner and format where it is not possible to identify the Participant.

11.6. The Participant agrees that (i) it may be identified by name as a "MTS France Participant" in press releases regarding MTS France, (ii) the Participant's name and logo may be used for the purposes of identifying the Participant as a MTS France Participant on the MTS website (www.mtsmarkets.com) and in MTS France marketing brochures and presentational materials [subject to the Participant's approval of the use of its name and logo]. MTS France shall not change the manner in which it uses the Participant's name and/or logo without the prior written approval of the Participant, such approval not to be unreasonably withheld or delayed. Except in the circumstances contemplated above, MTS France shall not, without the prior written consent of the Participant in each instance, (i) use in advertising, publicity or otherwise the name of the Participant nor any trade name, trade mark, trade device, service mark, symbol or any abbreviation, contraction or simulation thereof owned by the Participant or any of its affiliates, or (ii) represent, directly or indirectly, that any product or any service provided by MTS France in connection with MTS France has been approved or endorsed by the Participant or any of its affiliates.

ARTICLE 12 FEES

12.1. For the supply of the Service, the Participant shall pay MTS France the fees set out in the Fee Schedule attached to these Terms and Conditions in the amounts, within the time and in the manner specified therein. 12.2. Without prejudice to Clause 14 below, and unless stated otherwise in the Fee Schedule, all fees are payable by the Participant within 30 (thirty) days of the date of MTS France's invoice, and time of payment shall be of the essence. MTS France may add interest on overdue payments before and after any judgment at [HSBC Bank plc base rate] (as varied from time to time) plus three per cent, calculated on a daily basis from the due date to the date of payment, such interest to be compounded at the end of each calendar month or, if lower, the maximum rate permitted under Applicable Law.

12.3. Without prejudice to the right to file a separate action for money, the Participant may not raise any objections, even in the event of interruptions or suspensions in the supply of the Service, aimed at avoiding or delaying payment of the fees due. Any invoice queries including, without limitation, any request by the Participant for repayment of overpaid amounts must be made within 3 (three) months of the end of the month to which the relevant invoice relates. The Participant agrees that it shall not be entitled to query an invoice and/or claim repayment of any overpaid amounts after this period.

12.4. The Participant shall remain subject to the obligation to pay any amounts applied in accordance with the Membership Documentation. The payment of amounts shall not preclude the possibility for MTS France to demand strict performance and/or claim compensation of damages for any additional loss actually suffered.

ARTICLE 13 TERM AND TERMINATION

13.1. This Membership Documentation shall be for an indefinite term until terminated in accordance with this Clause 13 or as otherwise provided in the Membership Documentation.

13.2. Either Party shall have the right to terminate the Membership Documentation at any time by sending the other Party a written notice, pursuant to Clause 8.3 above, indicating the effective date of termination; the notice must arrive at least 90 (ninety) calendar days before such date. Termination shall not exonerate the Participant from performing the relevant obligations undertaken under the Membership Documentation or even indirectly deriving from the use of the Service.

13.3. By way of derogation from Clause 13.2 above:

- a) in case of amendments referred to in Clause 9 above and subject to Clauses 13.3(b) and 15.2 below, the Participant may terminate the Membership Documentation in the manner specified in Clause 13.2 above by giving MTS France the relevant notice within the time established by MTS France in the communication containing the text of the amendments referred to in Clause 9.2 above. Except as expressly provided in Clause 13.6 below, the Participant shall not be entitled to any compensation or indemnity for any costs, losses, expenses or other liability (or the loss or reduction of any benefit) directly or indirectly arising from (and MTS France shall not be liable to pay any penalty or indemnity as a result of) the Participant's termination of the Membership Documentation pursuant to either limb of this Clause 13.3 (notwithstanding that the right to terminate is triggered by an act of MTS France).

13.4. In all the cases of termination referred to in Clause 13.3 above, provided that the termination becomes effective before the application of the amendments or assignment, novation or other transfer it is based on, the contractual conditions previously in force shall continue to apply to the Participant.

13.5. If the termination notice is received after the expiration of the time limits specified in the preceding Clause, then the termination shall not take effect unless MTS France waives the time limit established in its favour. These Terms and Conditions may specify cases in which termination is not effective at the time provided in the withdrawal notice.

13.6. In the event that:

- a) the Participant terminates the Membership Documentation in accordance with Clause 13.3(a) above and the amendment which is the cause of such termination is a material amendment; or
- b) the Participant terminates the Membership Documentation in accordance with Clause 13.3(b) above but only if the Membership Documentation will be amended by MTS France with effect from the effective date of the assignment, novation or other transfer which is the cause of such termination and such amendment is a material amendment.

MTS France will refund to the Participant on a pro-rata basis the proportion of the annual membership fees paid by the Participant for the period from the effective date of termination onwards. For the purposes of this Clause 13.6 a material amendment shall include but not be limited to: any material reduction in MTS France's liabilities or responsibilities under Membership Documentation or any material changes to the Fee Schedule. The Parties agree that any dispute as to whether an amendment is material shall be resolved in accordance with Clauses 17 and 18 below.

13.7. Notwithstanding the provisions of the Rules, MTS France may exercise the right of termination, giving adequate advance notice, within the time limits and in the manner referred to in Clause 8.2 above, in cases of transformation of the Service, including without limitation as a consequence of measures adopted by the competent authorities or in case of termination of operation of the Service. In cases of termination pursuant to this Clause, MTS France shall not be required to pay any penalty, indemnity or compensation for any costs, losses, expenses or other liability incurred (or the loss or reduction of any benefit) directly or indirectly arising from such termination.

13.8. Upon termination of the Membership Documentation for any reason, all outstanding sums owed by the Participant under this agreement are payable forthwith.

The Membership Documentation, including without limitation the Terms and Conditions and the Schedules, shall constitute the totality of the terms and conditions governing the Service(s) and shall cancel and replace any earlier agreement and any oral or written communication made prior to the execution of the Membership Documentation.

15.2. Save as provided in this Clause 15.2, the Membership Documentation and/or the rights and obligations thereunder or deriving therefrom may not be assigned, novated or otherwise transferred by either Party to any third party. By entering into the Membership Documentation, the Participant consents to any assignment, novation or other transfer by MTS France in accordance with this Clause 15.2 and irrevocably and unconditionally waives any and all rights which it might otherwise have to require such assignment, novation or other transfer to be subject to any further consent from the Participant.

15.3. In the event of the merger or acquisition of the Participant with another company [or the transfer of the business segment comprising the Service], the Participant undertakes to give MTS France at least 30 (thirty) calendar days' advance notice of the effective date of the merger or transfer. The Participant shall remain liable, [and likewise the company merging through incorporation, the company resulting from the merger or the transferee], for any delay in giving such advance notice to MTS France, including without limitation the case in which such delay leads to MTS France having to suspend the Participant, the company merging through incorporation, the company resulting from the merger or the transferee, as the case may be, for the time needed for the performance of the tasks for which it is competent. The new company may have to submit a new application and undergo a new membership process if so decided by MTS France at its sole discretion.
