3. Notwithstanding paragraphs 1 and 2 above, MTS reserves the right, as a precautionary measure, to immediately suspend a Participant from trading where it reasonably suspects the Participant has committed a serious infraction or is in a state of suspected insolvency or is party to any other set of circumstances that threatens the correct and reliable functioning of the Market or of any Segment thereof. The period of precautionary suspension shall be determined by MTS and included in its decision and communicated to the suspended Participant where permitted under Applicable Laws.
4. Any suspension of a Participant, or removal of a suspension, shall be notified by MTS to all other Participants by such means as MTS considers appropriate where permitted under Applicable Laws.
5. Suspension from a list of Participants shall have no effect on the rights and obligations of the Participant in respect of Trades concluded on the Market prior to the effectiveness of such suspension.

Art. 10 - Exclusion from trading

1. Without prejudice to the provisions under Section IV here below, if in relation to a particular Participant, MTS shall determine that any of the following circumstances apply, it may delete that Participant from the relevant list of Participants with immediate effect.
2. The said circumstances are:
 - a. suspension from trading or the relevant list of Participants for a period of 2 months; and
 - b. a resolution of MTS resolving that such Participant be deleted from the relevant list of Participants, e.g. if it is insolvent following the commencement of any of the insolvency proceedings set forth in Annex A to the European Regulation no. 1346/2000 of 29th May 2000 or to other insolvency procedures in accordance with the laws applicable to the Participant.
3. Any deletion from a list of a Participant shall be notified by MTS to all other Participants by such means as MTS considers appropriate.

PART III

TRADING

Art. 11 – General systems operations

1. MTS shall adopt all acts necessary to ensure the proper functioning of the Market.
2. MTS shall determine the operational features of the trading protocol of the Market and may change it from time to time.
3. MTS may, in its sole discretion and for the purpose of maintaining fair and orderly markets (the following list is not intended to be exhaustive):
 - a. at any time suspend the operation of all or part of the Market, including the suspension of single Financial Instruments or categories of the same, suspension of Participants and/or cancellation of Trades, if it determines that normal market conditions do not apply;
 - b. postpone the start of trading for the Market or any part thereof or extend the Trading Hours for the purpose of improving the functioning of the Market;
 - c. temporarily suspend trading for the Market or any part thereof, in the case of a serious technical malfunction or other exceptional circumstances as determined by MTS in its sole discretion; and
 - d. monitor the operation of the Market and apply its polices in terms of risk controls, including orders' throttling and pre-trade controls.
4. MTS shall have no liability whatsoever to any Participant or to any other person for loss (including any consequential, indirect or unforeseeable loss, including without limitation, loss of profit), damage, injury, or delay, whether direct or indirect, arising from any breakdown, suspension of all or part of the Market or termination of the Market, or (in the absence of wilful misconduct on its part) with respect to any action taken or omitted to be taken in connection with providing or not providing the services contemplated by these Rules.
5. In the event that a Participant fails to comply with the obligations of safeguarding passwords or other security credentials or it allows unauthorised access to the Market, the Participant shall be responsible for all liabilities,

damages and costs resulting from such breach. It will also indemnify and hold harmless any other Participant, MTS and/or the service providers for all liabilities, damages and costs they may suffer due to such failure or unauthorized access.

Art. 12 - Types of Trades

1. MTS shall determine the types of contract by means of which each Financial Instrument may be traded on the relevant Market by Participants. Only the types of Trades conforming to normal market practice (as such term is determined by MTS) may be traded on the relevant Market.
2. The types of contracts available on the Cash Segment are:
 - a) purchase and sale of Financial Instruments.

Art. 13 – Quotes and Orders

1. Market Makers may enter both Orders and Quotes into the Market. A Price Taker may enter only Orders into the Market.
2. The Market supports the following types of Quotes:
 - a. Double-Sided Quotes
 - b. Single-Sided Quotes

Single-Sided Quotes include, where applicable, also Strikers and Mid-Price Single Sided Quotes.

Strikers are Single-Sided Quotes which enable a Participant to enter a visible price and a hidden limit (striker) price. This Quote can match only with a visible Quote on the opposite side of the book, whose price is within the range between the visible and hidden price in the Single-Sided Quote.

Mid-Price Single Sided Quotes are Quotes sent at a price calculated by the System using the offer and bid price shown on the Best Page.

3. Market Makers may submit Quotes with either a visible size only or, when MTS chooses to make the hidden size functionality available (as set out in the Market pages), a combination of a visible and a hidden size. The hidden size will not be disclosed to Participants or the public by virtue of the Order Management Facility waiver having been granted by the relevant Authority.

4. The Market supports the following types of Orders:
 - a. Fill-and-kill Order: an Order which attempts to aggress Quotes, subject to the Order's Limit Price, up to the quantity specified by the Participant, with any residual quantity associated with the Order being cancelled.
 - b. Fill-or-kill Order: an Order which attempts to aggress Quotes, subject to the Order's Limit Price, for the full quantity specified by the Participant. The Order is cancelled without any Trade when it does not aggress Quotes for the full quantity specified by the Participant.
 - c. Mid-Price Fill-or-kill Order: an Order which attempts to aggress Orders in the Mid-Price order book, subject to the Order's Limit Price, for the full quantity specified by the Participant. The Order is cancelled without any Trade when it does not aggress Orders for the full quantity specified by the Participant.
5. Orders and Quotes may be modified at any time, but a Participant is obliged to settle all Trades, at the Price quoted and up to the quantity offered, for those Trades which have been confirmed prior to reception of such modification.
6. Orders and Quotes relating to each Financial Instrument are ordered by the Market according to Best Price and, subordinate to that, according to the time of entry into the Market.
7. At the end of each Trading Day, Orders and Quotes still registered on the Market shall be automatically cancelled.

Art. 14 – Contracts

1. Orders made in relation to contracts shall specify the quantity and the Limit Price. An Order may be executed automatically by the Market up to and including the Limit Price. The Quotes and Orders are matched by the Market until the desired quantity is reached according to a price-time algorithm as follows:
 - a. The Quote(s) at the Best Price, subject to satisfying the Order's Limit Price, is (are) selected;
 - b. Should there be more than one Quote at the Best Price, then the matching occurs according to the time when the Quotes entered into the Market, with the earliest taking precedence;
 - c. If applying the above mentioned criteria the entire quantity of the Order is not fulfilled, then the Best Price is updated and the algorithm is repeated until the Order is fulfilled.
2. The provisions contained in the preceding articles are also applied for the conclusion of Trades by the matching of two Quotes

Art. 15 – Conclusion and registration of Trades

1. Trades are concluded either by an Order aggressing a Quote or by a Quote aggressing another Quote, according to procedures laid down in Article 14 above. The Trade shall be deemed to be concluded at the time when an electronic confirmation of the relevant matching is sent to either party to the Trade.
2. If Quotes and Orders matching on the Market are submitted by two CCP Participants using the CCP services on a CCP Financial Instrument, the execution of the Trade shall be automatic, subject to the registration of the Trade by the CCP, in the case where the applicable CCP regulations provide that the novation of the relevant Trade shall take place upon the registration of the Trade by the CCP.
3. Subject to meeting the Minimum Quote Size requirement, a Quote that has been partially aggressed shall be considered an effective Quote for the residual portion, retaining the time priority originally assigned to it as provided in Article 14 above.
4. All the Trades concluded on the Market shall be registered by MTS in a special electronic file in which the data regarding the contracts executed on the Market are registered as soon as reasonably practicable. Each separate Trade shall have an identification number and shall include:
 - a. the contracting parties including, if applicable, the identity of the Central Counterparty which is the party to the CCP Contract if applicable;
 - b. type, object and time and date of conclusion of the Trade;
 - c. quantity and Price.

Art. 16 – Mid-Price crossing

1. Where the functionality is active, Participants are able to submit Orders to the Mid-Price order book. The Market will calculate in real time a Mid-Price for each relevant Financial Instrument using the prevailing bid offer Bid-Ask Spread of each relevant Financial Instrument present in the Market, where certain conditions, as determined by MTS, are satisfied, these may include:
 - a. an appropriate level of market depth; and
 - b. a Bid-Ask Spread is available in a certain Financial Instrument.
2. When the conditions in paragraph 1 above are not satisfied, the Mid-Price may be sourced at the sole discretion of MTS from the MTS operated BondVision platform.

3. Mid-Price Orders will be subject to a Minimum Mid-Price Execution Size, which is set by MTS and set out in the Regulatory Specifications. The Minimum Mid-Price Execution Size is set to at least the same level of the relevant pre-trade Large in Scale threshold for those Financial Instruments that are defined as Liquid from time to time by ESMA. For Financial Instruments which are defined as Illiquid from time to time by ESMA, the Minimum Mid-Price Execution Size will be set at the discretion of MTS and set out in the Regulatory Specifications.
4. Participants may enter Mid-Price Orders with a higher execution size than the Minimum Mid-Price Execution Size, but not of a lower size.
5. MTS will monitor all updates to ESMA Large in Scale thresholds and Liquidity status and update its Financial Instrument database accordingly.

Art. 17 – Trade-Registration facility

1. Participants shall not pre-agree transactions except in accordance with this section of the Rules. A bilaterally negotiated Trade is considered a Trade concluded on the Market, if the counterparties have agreed for such Trade to be concluded under these Rules and such Trade is also reported to, and accepted by, MTS. The acceptance of a Trade Registration is subject to the Trade being compliant with the relevant maximum and minimum quantity and price limits. The Trade Registration functionality can be used by Participants only when the pre-trade transparency obligations provided by the Applicable Laws do not apply for any reason, such as, for example, pre-trade transparency waivers having been granted by the relevant Authority. The relevant Minimum Trade Registration Size will be set according to at least that required by the Applicable Laws and set out in the Regulatory Specifications.
2. This functionality allows two Participants to register bespoke trades on venue that are either:
 - a. “From Scratch”, independently proposed and agreed directly by both Participants, usually over the phone, and then registered as a Trade on the Market; or
 - b. “From Best”, as a bilateral negotiation tool allowing the sender to request a customisation (size and/or Price) of the best quote present in the order book. On receipt of a “From Best” Trade Registration request the Participant who owns the best quote has the choice to accept or reject the request or to counter bilaterally with different terms. Upon acceptance by both Participants a Trade is registered on the Market.

3. MTS will only consider information entered into the Market by Participants, and not any details discussed or agreed outside the Market.
4. Participants must ensure that a bilaterally negotiated Trade is reported to MTS within fifteen (15) minutes or the different timeframe that might be set by MTS from time to time. Participants that are party to a bilaterally negotiated Trade must record the time of the verbal or written agreement of the terms of the bilaterally negotiated Trade. This may be requested by MTS from time to time to evidence the timely submission of the bilaterally negotiated Trades.

Art. 18 – Major Market Incident

1. For the purposes of these Rules, Major Market Incident (“MMI”) means one of the following events taking place on the Market:
 - a) the improper functioning of the System so that all or a significant number of Participants is unable to trade in a secure manner without being exposed to material market risks (i.e., if they cannot determine their positions with certainty, may not submit Quotes, are unable to see the list of best Prices or see wrong Prices in the Best Page, or are unable to perform, in whole or in part, the market making activity);
 - b) the security or integrity of the System is compromised or subject to an imminent risk, or MTS is unable to see or control the Market using standard measures.
2. The occurrence of a MMI is identified by MTS. The duration of a MMI shall run from the time when the first impact on the system occurred and shall last until MTS determines that the normal conditions of the System have been restored. In the event of a MMI, MTS shall take the most appropriate measures, including the suspension of the Market or segments thereof.

PART IV

MARKET MAKERS

Comment [FR1]: This whole part still need to be finalised in light also of the new laws and regulations to be issued in Italy implementing MiFID II

Art. 19 - Market Makers

1. Only Market Makers are subject to this Part IV of the Rules which constitutes the market making agreement between each Market Maker and MTS. If a Participant intend to pursue a Market Making Strategy on the Market it must enter into a market making agreement with MTS by means of notifying MTS thereof by using the appropriate form. MTS shall keep updated a "Market Makers' Register".
2. Market Making Strategy shall be pursued in relation to an Instrument Class. For the purposes of the definition of competitive prices, these will be defined by MTS in the System Guide.

Art. 20 - Requirements for Registration in the Market Makers' Register

1. Only Participants as of Article 5, paragraph 1 above, may be included in the Market Makers' Register subject to the following conditions:
 - a) they must possess regulatory net assets of at least fifty (50) million Euro, resulting from the last audited financial statements;
 - b) they shall have adequate systems and procedures in place to effectively monitor and audit their compliance with the Market Making Commitments. A Market Maker shall maintain records of firm Quotes and transactions relating to their market making activities, which are clearly distinguished from other trading activities and shall make those records available to MTS and the competent authority, upon request. A Market Maker shall flag firm quotes submitted to the Market under this market making agreement in order to distinguish those quotes from other order flows.
 - c) they have traded Financial Instruments for an amount equal or greater than Euro twenty (20) billion in the twelve months preceding the filing of the request to become Market Makers. In case the applicant or the Participant has traded Financial Instruments for a period shorter than twelve months preceding the filing of the relevant application form, such applicant or Participant shall meet the above mentioned threshold within the twelve months following the filing of the application form.
 - d) If they are investment firms they shall be recognised as Primary Dealers in Italy or in at least three countries, whose government securities are available for trading on markets or trading platforms, different from this Cash Segment, operated by EuroMTS Limited, MTS France S.a.s., MTS Associated Markets S.A. or BondSpot S.A.. Evidence of such qualification shall be the registration or the filing of the application for

registration in the specific register kept by the relevant debt management office or similar local competent authority. Should the application not be accepted by the debt management office the Participant will lose its status of Market Maker.

Art. 21 – Market Making Commitments

1. Upon inclusion in the Market Makers' Register, Market Makers become subject to the Market Making Commitments, i.e. they shall continuously input Quotes in the Market during the Trading Hours as determined by MTS, for the purchase and sale of Financial Instruments allocated to each Market Maker by MTS. Such commitment may be limited by the Provisions to specific Categories of Financial Instruments and/or specific types of Trades.
2. Pursuant to paragraph 1 above, MTS shall allocate to each Market Maker a number of Financial Instruments, appropriately selected based on specific characteristics, as set forth in the Provisions.
3. The allocation of Financial Instruments to each Market Maker shall be based on the following criteria:
 - a) Full coverage of the Financial Instruments. All BTP, BTi, CTZ, CCT having at least 45 days of residual life at the beginning of the month in which the commitments are valid shall be considered as eligible for Market Makers' commitments purposes.
 - b) Quoting of each Financial Instrument by a number of Market Makers adequate to guarantee actual competition. Each Market Maker is assigned 31 Financial Instruments, among which 4 index linked BTPs, so that each Market Maker shall quote a basket representing the full yield curve and balanced in terms of liquidity. Each Financial Instruments is allocated to at least three Market Makers
 - c) Half the number of Financial Instruments of each category, quoted with the narrowest average bid/ask spread during the two previous months, shall be considered as liquid.
 - d) The Financial Instruments issued during the relevant current month shall be automatically considered as allocated to all the Market Makers.
4. In performance of the Market Making Commitments set forth above, the Market Makers shall:
 - a) maintain competitive Price conditions; for the purposes of the definition of competitive prices, these will be defined by MTS in the System Guide.
 - b) be present on a continuous basis on the System during trading hours by inputting bid and ask Quotes on all the Financial Instruments allocated to them, with prices and for amounts that are consistent with the general market conditions and the specific characteristics of individual instruments;
 - c) contribute continuously to trading on the Repo Segment;

- d) comply with the requirements specified in the Provisions.
5. Each Market Maker is entitled to submit Quotes on Financial Instruments other than those allocated by MTS.
6. Market Makers are exempted from their Market Making Commitments in the event of exceptional circumstances as defined in Article 3 of the Commission Delegated Regulation (EU) 2017/578 of 13 June 2016 supplementing Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments with regard to regulatory technical standards specifying the requirements on market making agreements and scheme. Without limitation to the generality of the foregoing, exception circumstances are: excess volatility, war, industrial action, civil unrest, cyber sabotage, technological issues on the venue or the Market Maker, risk management issues and short selling bans. In case of disagreement MTS, in its discretion, shall have the final decision to determine when an event constitutes an "exception circumstance". In case of an exception circumstance, and the subsequent resumption of trading, MTS shall endeavour to inform the public via its website. The Market Maker is not under the obligation to comply with the Market Making Commitments provided herein in those days which are bank holidays in the country where the Market Maker carries out its business. MTS shall be informed by the Market Maker as soon as reasonably practicable of any trading interruption due to the malfunctioning of the electronic connection.
7. The Market Maker shall be suspended from its obligation to comply with the requirements under paragraph 1 above on the days set forth in the Provisions.
8. MTS will monitor each Market Maker on all Financial Instruments in the relevant Instrument Classes. For the purpose of monitoring the Market Making Commitments, only double sided Quotes will be considered. MTS will determine a minimum number of Financial Instruments on which they will be expected to comply with defined requirements. MTS will define these requirements in the System Guide. In case the breach of the Market Making Commitments, MTS shall adopt all the necessary actions as indicated in the Provisions.
9. Should MTS decide to offer a Market Making Scheme, it shall publish on its Website the terms of the Market Making Scheme, the names of the Market Makers benefitting from such Schemes and the Financial Instruments or Instruments Classes covered by the relevant Scheme.
10. Market Makers should inform MTS as soon as possible of their intention not to continue to be Market Maker on the Market. This communication shall be received by MTS at least one full trading day before the day the Participant will

not be a Market Maker any longer. The Participant will cease to be a Market Maker on the first trading day of the month following the one in which the communication was sent.

Art. 22 - Suspension from functions and cancellation from the Register

1. Without prejudice to the provisions of paragraph 2 below, if MTS establishes that even just one of the requirements for the registration in the Register is failing, or reasonable grounds exist and they lead to believe that one or more of such conditions have ceased to exist, it is entitled to suspend the Participant from its status as Market Maker.
2. In the event of failing to comply with the requirements pursuant to Article 20.1.a above, the Market Maker's net assets shall be re-capitalised and evidence thereof shall be provided to MTS within three months. MTS shall be entitled to suspend the Market Maker from its status of Market Maker also prior to the expiration of the above-mentioned three-month term, if there are reasonable grounds leading to believe that the loss of capital is particularly severe. MTS shall cancel from the Register the Market Maker suspended from its status of Market Maker in accordance with the provisions of the foregoing paragraphs, if such Market Maker has not provided evidence of the reinstatement of the conditions set forth in article 16 sub-section a) within a period of six months.
3. A Market Maker is not compliant when the following conditions apply: its monthly compliance is below xx% for three (3) consecutive months. In such an instance MTS reserve the right to issue such Market Maker with a written notice of the breach asking for strict compliance of the Market Making Commitments and explanation of the reasons behind the breach. Following receipt of the above notification, where the Market Maker in question fails to honour its Quoting Commitments for three (3) additional consecutive months, MTS shall have the right a) to delete the Market Maker from the list of Market Makers and/or b) to initiate the disciplinary procedure as per Section IV here below. Any Participant so cancelled from the list of Market Makers shall be allowed to trade on the Market as Price Taker.
4. The Market Maker may request MTS to proceed with its cancellation from the Register. Such request must be filed with MTS at least fifteen (15) days prior to the date of the requested cancellation. In the period elapsing between the sending of the request and the actual effective date of the cancellation, the Market Maker shall remain bound to perform the obligation provided in Article 17 1 above.

5. MTS shall inform the Italian Ministry of Economy and Finance when, in the circumstances identified in the previous paragraphs, a Market Maker is also a Specialist in Government Bonds pursuant to the Ministerial Decree No. 216 of December 22, 2009.

PART V

POST TRADING

Art. 23 – Settlement and Central Counterparty Services

1. Settlement of Trades can take place at the settlement institutions specified in the Regulatory Specifications. Participant authorise the relevant settlement institution to settle instructions sent by MTS.
2. Trades shall be cleared via the Central Counterparties specified in the Regulatory Specifications.
3. The procedures and regulations set forth by the relevant Central Counterparty or settlement institutions, as the case might be, shall regulate their relevant activities. The settlement of Trades shall take place on the second business day following the execution of the relevant Trade.
4. The Market provides the data for the settlement of Trades concluded in the Cash Segment to the Settlement Service and to the Central Counterparty Service. Participants agree to give MTS the right to transmit settlement instructions on their behalf to the relevant settlement institutions or Central Counterparty.
5. MTS at its own discretion may cancel Trades and when necessary amend data already transmitted to the Settlement Services and Central Counterparty Services, with respect to Trades executed on Financial Instruments already announced by the issuer, in the event that such securities are not issued or are issued for a quantity significantly smaller than the one announced.

SECTION III

REPO SEGMENT

PART I

FINANCIAL INSTRUMENTS

Art. 28 – Financial Instruments

1. On the Repo Segment MTS may permit Participants to trade Repo Contracts having as underlying the following Financial Instruments as selected by MTS:
 - a. the Financial Instruments selected by MTS negotiated as individual ISINs;
 - b. other Financial Instruments such as baskets satisfying the eligibility criteria set at the relevant tri-party agents; and
 - c. other Financial Instruments such as General Collateral Baskets as defined by MTS.
2. The Financial Instruments underlying a Repo Contract shall comply with the parameters set by MTS in its internal procedures which include a) that the Financial Instruments shall be freely transferable, b) that no impediments or limitations must exist to the exercise of the rights to which the holders thereof are entitled and c) shall be registered with the relevant central securities depository. Financial Instruments that do not comply with the parameters can nevertheless be underlying a Repo Contract at MTS own discretion. MTS can also apply additional criteria if deemed useful.
3. The full list of the Financial Instruments and Repo Contracts available for trading on the Repo Segment is available, as updated from time to time, on the System itself and / or on the MTS website. MTS will use reasonable endeavours to inform Participants of any change to the Repo Contracts available on the Markets by electronic communications.
4. MTS, upon request by the competent authority or for the purpose of maintaining orderly and fair market conditions, shall suspend or remove from the Market any Repo Contract or Financial Instrument. Suspension or removal of Repo Contracts and/or Financial Instruments can also be based on the request of one or more Participants or due to extended lack of trading.

- o. For each Quote and Order placed, cancelled or varied it shall populate all necessary Quote message fields in a complete and accurate manner, including but not limited to information related to the identification of the relevant parties, and liquidity provision as specified in the Technical Specifications. Trading capacity shall only be “dealing on own account”.
- p. It shall have appropriate controls in place to ensure that each message field is accurately populated, including using the correct short code where relevant. Acceptance of a message by MTS does not provide or imply that MTS considers this requirement has been met. In the event a Participant discovers one or more fields are inaccurately populated, including population of one or more fields with an incorrect short code, the Participant must report this to MTS immediately and provide the correct information for every single Quote, Order and update thereto.
- q. If it uses short codes it shall complete the associated long codes through the MTS designated system (“management profile tool”) as soon as is practical but before associating such short code to a Quote or Order;
- r. Where applicable, it undertakes to collaborate in a cooperative and prompt manner with MTS in any request of data or clarification required by MTS in order for MTS to comply with Article 26(5) of Regulation (EU) No 600/2014 of the European Parliament and of the Council of 15 May 2014. In particular, the Participant undertakes full responsibility on the accuracy of the information provided both in terms of content and formatting that will be used by MTS to comply with the transaction reporting requirements in accordance with the above mentioned legislation;
- s. it shall only use the data and information supplied to or derived from the Market for trading on the Market; further it shall ensure that no data or information supplied by or derived from the Market is allowed or technically able to be redistributed, internally or externally, save with the specific consent of MTS.

Art. 33 – Resignation of Participants

1. Any Participant may resign from membership of the Market or of a segment by giving not less than 3 months notice in writing to MTS specifying the date on which the Participant wishes to terminate its access. Resignation from the Market or a segment shall have no effect on the rights and obligations of the resigning Participant in respect of Trades concluded on the Market prior to the effective date of such resignation. Membership Documentation includes additional relevant provisions on termination.

Art. 34 – Suspension from Trading

1. Without prejudice to the provisions under Section IV here below, if, in relation to a particular Participant, MTS shall determine that any of the following circumstances apply, or that there are reasonable grounds for presuming that

any of the following circumstances apply, it shall suspend that Participant with immediate effect. A Participant which is suspended shall not be permitted to input Quotes or Orders on the Market. MTS may lift a suspension if it is satisfied the circumstances which gave rise to the suspension no longer apply.

2. The aforementioned circumstances are:
 - a. the Participant ceases to meet one or more of the eligibility criteria applicable for entry on the relevant list of Participants, with the exception of the requirement to have and maintain Euro 10 million Capital. In such a case the suspension will be applied if the Participant fails to provide MTS with proof of replenishment of Capital within three months from the relevant notification by MTS;
 - b. where the Participant has been suspended from operating or specifically from trading activities by a competent authority, or MTS has been instructed by such a competent authority to suspend the Participant from trading on the Market;
 - c. a request to suspend a Participant is received from a clearing or settlement agent through which the Participant clears or settles and to which the Participant has given authority to make such request;
 - d. a request to suspension a CCP Participant is received from the CCP which the Participant uses to clear Trades executed on the Market;
 - e. in the case of a CCP Participant, a notification is received from the CCP that the Participant and/or its General Clearing Member has been suspended as a CCP Member or an "Event of Default" (as such terms are defined in the respective CCP rules) has occurred or is likely to occur;
 - f. where a Participant takes or is subject to an insolvency or similar procedure in any jurisdiction;
 - g. MTS is no longer satisfied that continued access would be consistent with its rules and procedures for fair and orderly trading;
 - h. MTS has decided, in its sole discretion, that in the best interests of the Market that the Participant be suspended from the relevant list of Participants.
3. Notwithstanding paragraphs 1 and 2 above, MTS reserves the right, as a precautionary measure, to immediately suspend a Participant from trading where it reasonably suspects the Participant has committed a serious infraction or is in a state of suspected insolvency or is party to any other set of circumstances that threatens the correct and reliable functioning of the Market or of any Segment thereof. The period of precautionary suspension shall be determined by MTS and included in its decision and communicated to the suspended Participant where permitted under Applicable Laws.
4. Any suspension of a Participant, or removal of a suspension, shall be notified by MTS to all other Participants by such means as MTS considers appropriate where permitted under Applicable Laws.

5. Suspension from a list of Participants shall have no effect on the rights and obligations of the Participant in respect of Trades concluded on the Market prior to the effectiveness of such suspension.

Art. 35 - Exclusion from trading

1. Without prejudice to the provisions under Section IV herebelow, if in relation to a particular Participant, MTS shall determine that any of the following circumstances apply, it may delete that Participant from the relevant list of Participants with immediate effect.
2. The said circumstances are:
 - a. suspension from trading or the relevant list of Participants for a period of 2 months; and
 - b. a resolution of MTS resolving that such Participant be deleted from the relevant list of Participants, e.g. if it is insolvent following the commencement of any of the insolvency proceedings set forth in Annex A to the European Regulation no. 1346/2000 of 29th May 2000 or to other insolvency procedures in accordance with the laws applicable to the Participant.
3. Any deletion from a list of a Participant shall be notified by MTS to all other Participants by such means as MTS considers appropriate.
4. Deletion from a list of Participants shall have no effect on the rights and obligations of the Participant in respect of Trades concluded on the Market prior to the effective date of such deletion.

PART III

TRADING

Art. 36 – General system operations

1. MTS shall adopt all acts necessary to ensure the proper functioning of the Market.
2. MTS shall determine the operational features of the trading protocol of the Market and may change it from time to time.

Rules MTS Italia

Effective as of 3 January 2018

SUBJECT TO BOARD APPROVAL AND REGULATORY APPROVAL

3. MTS may, in its sole discretion and for the purpose of maintaining fair and orderly markets (the following list is not intended to be exhaustive):
 - a. at any time suspend the operation of all or part of the Market, including the suspension of single Financial Instruments or categories of the same, suspension of Participants and/or cancellation of Trades, if it determines that normal market conditions do not apply;
 - b. postpone the start of trading for the Market or any part thereof or extend the Trading Hours for the purpose of improving the functioning of the Market;
 - c. temporarily suspend trading for the Market or any part thereof, in the case of a serious technical malfunction or other exceptional circumstances as determined by MTS in its sole discretion; and
 - d. monitor the operation of the Market and apply its polices in terms of risk controls.

3. MTS shall have no liability whatsoever to any Participant or to any other person for loss (including any consequential, indirect or unforeseeable loss, including without limitation, loss of profit), damage, injury, or delay, whether direct or indirect, arising from any breakdown, suspension of all or part of the Market or termination of the Market, or (in the absence of wilful misconduct on its part) with respect to any action taken or omitted to be taken in connection with providing or not providing the services contemplated by these Rules.

4. In the event that a Participant fails to comply with the obligations of safeguarding passwords or other security credentials or it allows unauthorised access to the Market, the Participant shall be responsible for all liabilities, damages and costs resulting from such breach. It will also indemnify and hold harmless any other Participant, MTS and/or the service providers for all liabilities, damages and costs they may suffer due to such failure or unauthorized access.

Art. 37 – Types of admitted Trades

1. The following types of Trades, as defined by market practice, can be executed in accordance with the Provisions:
 - a) Repo Contracts in the form of “classic repo” as generally defined in the market;
 - b) Repo Contracts in the form of “buy sell back” as generally defined in the market.

2. Repo Contracts may be executed within the deadlines permitted by the System and notified to the Participant both as “general collateral” (a collateralised cash loan with an obligation to repay the full loan on a pre-determined date), or as “specific repo” (the purchase / sale of a specific security against cash payment, with the obligation to sell / buy it back at a pre-determined date).

Rules MTS Italia

Effective as of 3 January 2018

3. Repo Contracts can be traded also as Tri-Party Repo. In this type of Contract a third party, different from MTS and the Participants, known as tri-party agent is responsible, among other tasks, for the management of the basket relevant for the Trade, and for the choice and allotment of the collateral; all these activities take place outside of the Market. The definition of the basket is left to the Participants counterparty to the Repo Contract.

Art. 38 - Participants

1. Dealers participating in the Repo Segment may access all the functionality without any distinction with respect to their role. This implies that any Dealer may submit Quotes in bid and/or in offer and place Orders, submit an RFCQ to one or more Quote Providers or Dealers, reply to an RFCQ and use the Trade Registration. Dealers participating in the Repo Segment do not undertake any commitment to post Quotes.
2. Quote Requesters can only submit RFCQs to Quote Providers or Dealers selected by them and use the Trade Registration facility.
3. Quote Providers can only reply to RFCQs by Quote Requesters or Dealers.

Art. 39 – Quotes

1. Quotes can be anonymous or name display.
2. A Dealer using the Central Counterparty Service has the possibility to set up its Quotes so that they may only be matched by Orders from other Dealers which also use the above-mentioned service, in such an instance Quotes are firm. Otherwise, Quotes are subject to credit check by both counterparties.
3. Prior to the start of trading time, each Dealer may enter purchase and sale Quotes into the System. Such Quotes shall not be visible to the other Dealers until the commencement of trading. Quotes are binding exclusively to the Dealers.
4. A Dealer or a Quote Provider may amend its Quotes at any time. However, they shall remain bound by the Price and volume posted with respect to Orders processed by the System prior to the receipt of the amendment.

Rules MTS Italia

5. A Dealer may restrict the display of its Quotes to a partial amount comprised between the minimum trading lot and the total amount of the Quote.
6. At the close of each trading day, Quotes still registered in the System shall be automatically cancelled.

Art. 40 – Orders

1. Orders may be submitted by Dealers or Quote Requesters for amounts equal to or greater than the minimum trading lot and may be of the following types:
 - a) Fill and Kill (FAK): these Orders may be executed in full or in part. In the event of partial execution, the residual quantity is cancelled.
 - b) All or Nothing (AON): these Orders only allow for the total execution of the amount, otherwise they are cancelled.
2. Orders submitted with respect to active Quotes shall be valid for the maximum time period set forth in the Repo Instructions.

Art. 41 – Conclusion and registration of Trades

1. Trades are executed when the System reports the matching of a Quote and an Order. Further, a Trade shall be deemed executed when an RFCQ is accepted or when a Trade Registration is accepted by both counterparties. In the event of any dispute, the time stamp of the Repo Contract, the time shown in the records produced by MTS shall prevail.
2. In the event of a bilateral trade, where the counterparties to a Trade choose not to use a CCP, the Dealer shall accept or refuse the Order prior to the expiry of the maximum time limit set forth in the Provisions. An Order may only be refused on the grounds of credit lines or lack of proper legal documentation.
3. Each Dealer has the possibility to restrict its maximum exposure towards a specific counterparty or to prevent in advance trading with such counterparty with which it does not have a credit line. Any refusal not supported by objective grounds relating to limited credit lines shall be subject to disciplinary measures by MTS pursuant to Section IV.

Rules MTS Italia

Effective as of 3 January 2018

This translation is for ease of reference only; the Italian text shall prevail in case of discrepancies

4. An Order which is neither accepted nor refused prior to the expiry of the maximum time limit will be automatically accepted by the System after expiration of said maximum time limit.
5. If Quotes and Orders matching on the Market are submitted by two CCP Participants using the CCP services on a CCP Financial Instrument, the execution of the Trade shall be automatic, subject to the registration of the Trade by the CCP, in the case where the applicable CCP regulations provide that the novation of the relevant Trade shall take place upon the registration of the Trade by the CCP.
6. A Repo Contract is executed via RFCQ on acceptance by the Quote Requester (or by a Dealer in case the Dealer sent an RFCQ to a Quote Provider) of one of the Quotes sent by a Quote Provider in response to the RFCQ prior to the expiry of the maximum time limit permitted by the System.
7. In the event of a Trade between an Quote Provider and a Quote Requester using the CCP Service on a Financial Instrument eligible for CCP Service, the execution of the Repo Contract shall be subject to its registration by the CCP, which will be effective only on receipt of a dedicated confirmation by the CCP, if the applicable CCP regulations provide that the acceptance of the relevant Contract shall take place upon its registration by the CCP.

Art. 42 – Definition of “General Collateral” Trades

1. In “General Collateral” Trades the seller must select the Financial Instruments to be delivered within a maximum deadline after the execution of the Trade set forth in the Provisions.
2. “General Collateral” Trades which are not defined before the relevant cut-off for trading and allocation activity in the specific instrument and term are cancelled from the System upon closing of the Market; the counter-parties are, however, required to process them accordingly. In this eventuality and where the transaction was carried out anonymously between two counterparties using a Central Counterparty then the MTS, without prejudice to its right to start the procedure provided for in Section IV of these Market Rules, reserves the right to disclose the identities of the parties to each other in order to facilitate the bilateral resolution of any dispute.
3. For the definition of “General Collateral” Trades, also those Financial Instruments with detachment of coupons (ex-coupons) during the period of validity of the transaction must be delivered. As such, the acceptance of such Financial Instruments is mandatory. The settlement of these Financial Instruments shall take place in accordance with the relevant rules of the Settlement Service.

Rules MTS Italia

Effective as of 3 January 2018

SUBJECT TO BOARD APPROVAL AND REGULATORY APPROVAL

This translation is for ease of reference only; the Italian text shall prevail in case of discrepancies

4. The maximum number of Financial Instruments to be delivered in “General Collateral” transactions is set forth in the Provisions.
5. For Triparty General Collateral Trades, the selection of the Financial Instruments to be delivered for the definition of the Trade occurs outside the System.

Art. 43 – Trade-Registration facility

1. Participants shall not pre-agree transactions except in accordance with this section of the Rules. A bilaterally negotiated Trade is considered a Trade concluded on the Market, if the counterparties have agreed for such Trade to be concluded under these Rules and such Trade is also reported to, and accepted by, MTS. The acceptance of a Trade Registration is subject to the Trade being compliant with the relevant maximum and minimum quantity and price limits. The relevant Minimum Trade Registration Size will be set out in the Regulatory Specifications.
2. This functionality allows two Participants to register bespoke trades on venue that are either:
 - a. “From Scratch”, independently proposed and agreed directly by both Participants, usually over the phone, and then registered as a Trade on the Market; or
 - b. “From Best”, as a bilateral negotiation tool allowing the sender to request a customisation (size and/or Price) of the best quote present in the order book. On receipt of a “From Best” Trade Registration request the Participant who owns the best quote has the choice to accept or reject the request or to counter bilaterally with different terms. Upon acceptance by both Participants a Trade is registered on the Market.
3. MTS will only consider information entered into the Market by Participants, and not any details discussed or agreed outside the Market.
4. Participants must ensure that a bilaterally negotiated Trade is reported to MTS within fifteen (15) minutes or the different timeframe that might be set by MTS from time to time. Participants that are party to a bilaterally negotiated Trade must record the time of the verbal or written agreement of the terms of the bilaterally negotiated Trade. This may be requested by MTS from time to time to evidence the timely submission of the bilaterally negotiated Trades.

Art. 44 – Major Market Incident

1. For the purposes of these Rules, Major Market Incident (“MMI”) means one of the following events taking place on the Market:
 - a) the improper functioning of the System so that all or a significant number of Participants is unable to trade in a secure manner without being exposed to material market risks (i.e., if they cannot determine their positions with certainty, may not submit Quotes, are unable to see the list of best Prices or see wrong Prices in the Best Page, or are unable to perform, in whole or in part, the market making activity);
 - b) the security or integrity of the System is compromised or subject to an imminent risk, or MTS is unable to see or control the Market using standard measures.
2. The occurrence of a MMI is identified by MTS. The duration of a MMI shall run from the time when the first impact on the system occurred and shall last until MTS determines that the normal conditions of the System have been restored. In the event of a MMI, MTS shall take the most appropriate measures, including the suspension of the Market or segments thereof.

PART IV

POST TRADING

Art. 45 – Settlement and Central Counterparty services

1. The System provides the required data for the settlement of Trades concluded in each Market Segment to the Settlement Service and, where applicable, to the Central Counterparty Service and to the tri-party agents.
2. For bilateral trades executed between Quote Requesters and Quote Providers or Dealers the System will provide the required data for settlement but will not automatically, unless requested, instruct the relevant Settlement Service. MTS shall have the right to ask to Quote Requesters, Quote Providers and Dealers data confirming the completion of the settlements process.
3. For CCP trades executed between Quote Requesters and Quote Providers Dealers the System will provide the required data for settlement and will automatically instruct the relevant Central Counterparty.

4. MTS shall make available to Participants, on the System, the following information, updated daily:
 - a. a table of Financial Instruments available for trading;
 - b. a list of all Participants, with identification codes.
5. MTS, at its discretion, may, subject to regulatory approval, waive or defer the provision of certain data. Upon request by the relevant Authorities MTS shall suspend the provision of certain data.

Art. 47 – Provision of data to Authorities

1. MTS shall provide the Bank of Italy and CONSOB with data and information relating to Repo Contracts and the trading activity of the Participants on the Market, as well as any other data, information, deed or document requested by the Bank of Italy and by CONSOB pursuant to Article 76 of the T.U.F. and Article 17, paragraph 4 of the Decree of the Ministry of Economy no. 216 of 22nd December 2009.
2. MTS shall notify the Ministry of Economy and Finance, the Bank of Italy and CONSOB of any breaches of these Rules detected during the performance of its monitoring activities set forth in Section IV and shall report on the measures taken in connection therewith.
3. MTS shall provide the Ministry of Economy, the Bank of Italy and Consob with advance a draft of the Provisions it intends to issue in accordance with Article 3, paragraph 1 above.

Art. 48 – Provision of data to the public

1. At the end of each Trading Day MTS makes public on its website a list that reports, for each Financial Instrument traded on the Market, in accordance with the Provisions at least the minimum, maximum, and weighted average Price and total volume traded calculated with reference to the Trades executed in the previous Trading Day. Cancelled trades shall be excluded from such list. MTS reserves the right to also exclude from such list, those transactions it considers anomalous. The Provisions may indicate those cases in which such calculation shall not take into account transactions as deemed extraordinary

Art. 49 – Supervision of regular conduct of trading

1. MTS shall supervise the conduct of trading through a specific monitoring department and shall verify the compliance with these Rules and the Provisions. In addition, MTS shall adopt any measure that is required or appropriate to ensure the smooth operation of the Market.
2. MTS shall perform, inter alia, the following activities:
 - a) verify the performance of the commitments undertaken by the Market Makers. Should MTS require clarifications, the relevant Participant, shall provide such clarifications as soon as possible;
 - b) verify the proper updating of the databases, the procedures and whatever else is necessary to ensure fair and orderly trading;
 - c) monitor the functioning of the technical infrastructure and promptly inform the Participants with regard to any action that may affect the functioning of the Market;
 - d) for the purpose of verifying the compliance of the Participants with the operations requirements, MTS may conduct audits at the Participant's premises or at the premises of third parties entrusted by the Participant with the management of outsourced services;
 - e) request the Participants to provide, also on a periodical basis, relevant data, news and information, as well as to handle documents.
3. In addition, MTS, within the framework of its monitoring activities, may:
 - a) postpone the start of trading with respect to the entire Market, individual Segments, individual Financial Instruments or specific Categories of Financial Instruments or extend the duration of trading hours, in order to improve the efficient functioning of the Market;
 - b) temporarily suspend trading on the entire Market, individual Segments, individual Financial Instruments or specific Categories of Financial Instruments in the event of severe technical dysfunctions or other extraordinary events;
 - c) temporarily suspend one or more Participants from trading;
 - d) amend errors related to input of Orders, according to the procedures set forth in the Provisions.

4. Without prejudice to any measures required in connection with the management of trading, the applicable provisions or law and regulations and the provisions set forth in these Rules regarding provision of information, MTS shall keep confidential any information acquired in connection with its management and Market supervisory activities. MTS shall promptly inform the relevant Authority of the adoption of any of the above mentioned measures.

Art. 50 – Disciplinary measures

5. A Participant failing to comply with the obligations deriving directly or indirectly from the application of these Rules and of the Provisions or otherwise failing to comply with the System's operational procedures, shall be subject to the disciplinary measures set out below, taking into account the nature and the severity of the violation and any previous breaches by such Participant:
- written reprimand;
 - monetary penalty ranging from € 10,000 to € 500,000;
 - suspension from trading for a period not exceeding two months;
 - exclusion from trading;
- MTS shall apply the disciplinary measure in a non-discriminatory fashion. Breaches by Market Makers of their Quoting Commitments are dealt with in Article 21 above.
1. In order to adopt the measures referred to in the paragraph 1, MTS shall take the following criteria into account:
- the actual and potential impact on the Market and the external importance of the breach;
 - the size, duration and nature of the breach;
 - how MTS became aware of the violation;
 - the benefits accrued by the Participant from the breach;
 - the Participant reaction to MTS' requests and its actual and previous behavior;
 - magnitude of fraud and negligence;
 - functioning of system used for internal control and prevention of violations;
 - numbers and magnitude of breaches previously committed by the same Participant;
 - size of the Participant and of the group it belongs to; and
 - the cases in which various provisions are breached or the same provision is breached more than once.

2. The use to which fines are put shall be established on a general basis by MTS in an ad hoc resolution communicated to the relevant authorities.
3. A party which has been excluded from trading may be re-admitted to trading, at MTS' discretion, subject to the filing of a new Application Form.
4. Where a measure of suspension or exclusion from trading is adopted, from the time such measure takes effect the market intermediary to which it is applied shall only be permitted, under the surveillance of MTS, to close out any positions still open and carry out any related transactions that are necessary to protect customers' interests, if any.

Art. 51 – Procedure for verifying violations

1. In order to apply the measures referred to in Article 50 above, the procedure described in this article shall be initiated within one year of the presumed violation or of the later date on which MTS learned of the presumed violation. In the latter case the procedure described in this article may not be initiated after three years have elapsed from the date of the presumed violation.
2. For the purpose of applying the measure referred to in Article 50 MTS sends the relevant Participant a letter:
 - a) containing a description of the alleged breach;
 - b) setting a time limit of not less than 15 days within which a written brief may be submitted and possibly a request for a hearing in which to discuss the topic.
3. The letter referred to in paragraph 2 may indicate the measure MTS intends to apply. In such case, if the time limit referred to in paragraph 2(b) expires without the Participant having submitted a written brief or requested a hearing, MTS shall apply the measure indicated in the letter.
4. If the Participant requests a hearing in which to discuss the issue or if MTS considers such a hearing to be necessary, MTS shall establish the date for the hearing and inform the Participant accordingly. The market intermediary shall be represented in the meeting either by its legal representative or by a person appointed for the purpose, being allowed to be assisted by a lawyer of its choice. If the Participant fails to attend the hearing without due cause, MTS shall proceed on the basis of the evidence collected up to that time. At the end of the hearing, at the request of the interested party, MTS may set a new time limit of not less than 10 days for the submission of another written brief.

5. On the basis of the evidence collected as part of the procedure referred to in the preceding paragraphs, MTS shall decide within 45 days of the hearing or the subsequent expiry of the time limit for the submission of another written brief as provided for in paragraph 4, or if no such hearing is requested or scheduled by MTS, within 45 days of the expiry of the time limit set pursuant to paragraph 2(b).
6. Decisions adopted pursuant to the preceding paragraph shall be promptly communicated to the relevant party giving the reasons for the decision. If one of the measures referred to in Article 50 is applied, the costs of the procedure and in particular those in relation to the examination of the written briefs submitted and the hearings requested, including MTS internal costs, shall be charged to the Participant.
7. MTS shall promptly inform the relevant Italian authorities of the initiation of the procedure referred to in this article and of the related decisions.

Art. 52 – Review of Measures

2. The Participant may ask for the review of the measures applied pursuant to Article 50 within 15 days of the communication of the relevant measure by means petition to the Appeals Board established pursuant to Article 61 below.
3. Applications of the measures referred to in Article 50 shall be made public via MTS Client Service Notices after 15 days have elapsed from the communication of the measure to the interested party without the question being referred to the Appeals Board or, where it has been so referred, after 10 days have elapsed from the communication of the Appeals Board's decision to the parties.
4. At the request of the Participant, the complete text of the measure shall be made public, possibly together with all the acts of the proceedings, including the decisions of the Appeals Board.

Art. 53 – Appeals Board

1. The Appeals Board shall be composed of three members appointed by the Board of Directors of MTS, which shall also appoint one of the members to be the chairman. The seat of the Appeals Board shall be at MTS.

2. The members of the Appeals Board shall be chosen from among independent persons of proven expertise in matters concerning financial markets.
3. The appointment shall be for three years and may be renewed. Where one of the members vacates the position before the termination of the appointment, the Board of Directors of MTS shall appoint a substitute; such appointment shall last until the termination of the appointments of the other members of the Appeals Board.
4. The decisions of the Appeals Board shall be adopted in accordance with law allowing debate within 30 days of the date of the petition for review and shall be promptly notified to the parties. The language of the proceedings shall be the Italian language.
5. In agreement with the other members of the Appeal Board, the chairman may assign a question to a single member of the Appeal Board.
6. The decisions of the Appeals Board shall not be binding on the parties and where one of the parties initiates arbitration, they shall not be binding on the arbitrators, who shall have the broadest prerogatives and powers to re-examine the entire dispute without any preclusion.
7. The fees of the members of the Appeals Board shall be borne by the losing party.

Art. 54 – Board of Arbitration

1. The Board of Arbitration shall be composed of three members appointed as follows:
 - a) the party that initiates the arbitration procedure shall send an instrument to the other party in which it:
 - declares its intention of initiating the arbitration procedure;
 - indicates the subject of the case;
 - designates its arbitrator;
 - invites the other party to designate its arbitrator;
 - b) the party that receives the invitation referred to in subparagraph a) shall designate its arbitrator within 20 days of receiving the notice; in the event of its omitting to do so, the second paragraph of Article 810 of the Code of Civil Procedure shall apply;
