NETWORK SERVICE PROVIDERS

Fee Schedule[1]

APPLICABLE FROM 01 JULY 2022

MTS

For Network Service Providers (NSPs) giving customer access to MTS trading and information systems

Service	Sub-Category	Number of *Slots*	Total number of Participants supported	Total number of user IP addresses[2] supported	Annual Fee
Housing of the NSP equipment and circuits (Primary and DR sites)		1	N/A	N/A	€25,000
Logical Access	Market Access	8	8	64	€11,000
	Low-Latency Feed Access	8	8	64	€11,000
Each Additional Access Block		8	8	64	€11,000

By way of example, if a provider subscribes to the Market Access Service supporting 20 different participants (i.e. 20 slots, 3 "blocks"), the total annual fee for the NSP would be €58,000 (€25,000 + €33,000), with an average cost per participant below €3,000.

Network Services	Fee
Additional cabling: SMAP2COLO	One-Off: €4,000 Annual: €3,500
Single Cross-Connection	One-Off: €2,000 Annual: €1,750
Other Services	Fee
Access to Helsinki Room by NSP outside of market hours	One-Off: €750
Remote Hands (power-off, re-set, light check, cabling changes)	One-Off: €500

---

[2] Network Address Translation (NAT) of user source IP addresses is allowed

MTS
